

### **IPANEMA Dining Table**

Designed by Glyn Peter Machin, the IPANEMA dining group has transitional styling that blends Danish Modern with a uniquely Western design aesthetic. The 85" rectangular dining table comfortably seats six to eight and comes with a 2" umbrella hole and plug to accommodate our 10' market umbrella. Table legs are easily removed for storage and are reinforced by marine grade stainless steel accents that are as beautiful as they are functional.
